Objective

To be a part enthusiastic work environment, where I can enhance my knowledge and apply my technical skills to accomplish organizational goals.

Professional Experience

04/2023 – 10/2023
Bhubaneswar, India

Intern, OPENTECHZ

- Developed and maintained responsive web applications using React.js.
- Collaborated with cross-functional teams to gather requirements and deliver user-friendly features.
- Resolved complex bugs and issues by conducting thorough debugging and testing.
- Collaborated on UI/UX design decisions, ensuring a seamless user experience.
- Utilized version control (Git/GitHub) to manage codebase and streamline collaboration.

12/2022 – 03/2023
Bhubaneswar ,
Odisha, India

Trainee, Netprophets Cyberworks Pvt.Ltd

Participated in an intensive training program focused on modern web application development using Spring Boot, Angular, and PostgreSQL. This comprehensive training equipped me with the following skills and knowledge:

- Developed web applications using Spring Boot and Angular.
- Collaborated with the team to design and implement new features, fix bugs and improve performance.
- Worked with databases and APIs to integrate systems and enable data- driven decision making.
- Conducted code reviews and provided constructive feedback to team

Projects

Portfolio Websites

A portfolio website is a unique way to showcase your work and let others know about yourself.

Blogs website

A blog that enables users to create a new blog post, view all posts created and view details of posts available in the server.

eCommerce Website

Developed a React-based E-commerce website, ensuring responsive design and seamless user experience. Integrated secure payment gateways and optimized performance for swift loading times.
